09 December 2011

Dear Members

CANCELLATION OF GAC SGM AND AGM

It is with regret that I need to advise you that the Special General Meeting (SGM) and Annual General Meeting (AGM) scheduled to be held on Saturday, 17 December 2011 have had to be postponed for cultural reasons.

As you may be aware, there have been 2 deaths in our community and this will have a serious impact on the number of members being able to attend the meetings. Because we would like as many members as possible to be able to attend the meetings in order for them to find out exactly what is happening at Gumala, it has been decided to postpone the meetings until early in the new year.

Please note that our Annual Financial Statements are available to view on the GAC website, as well as on the ORIC website if you would like to review them. They are also contained in your copy of the 2011 Annual Report which has been mailed to all members during the past 2 weeks. If you have not received a copy of this Report, please contact the GAC office and another one will be mailed to you.

I apologise for any inconvenience that this postponement may cause you and hope to see you at the re-scheduled meetings next year.

Please take care over this Christmas period and enjoy this time with friends and family.

Sincerely

Keith Hall
Chairman
