FREE FOR PARENTS AND CARE GIVERS

ABOUT THE WORKSHOP

This workshop is a must for all Aboriginal parents and careers. It teaches parents and carers about the Protective Behaviours Child Safety Program to increase their children's personal safety.

There are many ways of talking to children about their personal safety and when we do, it is important that we do not scare them or leave them feeling unsafe.

Gumala are funding workshops for parents in Tom Price, Karratha, Port Hedland and Perth in 2017. To register your interest please place your name down on list at the Gumala office or call Nikita on:
