

## Employment opportunities

### Yandicoogina

Rio Tinto has pre-employment opportunities available at Yandicoogina operations for Traditional Owners, as part of the Work Readiness programme.

The programme provides comprehensive support to assist job seekers in addressing barriers to employment, build on their strengths and complete training that can lead to employment.

If you have the drive and determination to succeed, there could be an opportunity for you.

All positions are fly-in, fly-out, and will build up to a two weeks on, one week off roster, with consideration of a drive-in, drive-out roster.

Applicants require a driver's licence – or the potential to obtain one - and must be fit for work.

If you're interested, send through your resume now to [Fran.Hildreth@gumala.com.au](mailto:Fran.Hildreth@gumala.com.au) or call 1800 486 252.

You can also contact the Rio Tinto Indigenous Employment team for more information at [aboriginal.employment@riotinto.com](mailto:aboriginal.employment@riotinto.com) or call 08 6213 9333.
